Schedules change. Buses run late. Emergencies occur.

With Honeywell Instant Alert, schools can let parents know more quickly and conveniently.

No need to rely on the media, the grapevine or the faint hope that students will remember there's an important flier in their backpack. Instant Alert brings the news directly to parents and they can decide how and where they receive messages.

E-mail. Cell phones. PDAs. They're all options.
So log in and stay informed, in an instant.
