PTO Meeting: Friday, May 3rd, 2002

Attendees: Kathy Birch, Sherri Coombs, Carla Muskat, Cindy Hambrook, Kerry McEleney, Wendy Chappuis, Linda Danielovich, Cathy Crockford, Alex Adriance, Jeanne Chute, Kathy Ryan, John Hansen, Mary Mailand, Jennifer Petitti, Sue Greene, Colleen Nungessor, Cindy Barnard

***Teacher Appreciation Week** - The first hour of the meeting was dedicated to planning out this week for SCS teachers and staff members (teachers and staff arrived at meeting later). Each day we planned a treat for this dedicated group!

***Museum of Science Field Trip** - This was a great field trip; the kids all had a terrific time. A huge "Thank you" to all the chaperones for attending and helping it run so smoothly. The PTO only had to cover \$575.00 for the cost of this trip, much less than our previous visit.

Reminder to all chaperones and parents: please remember to return the yellow t-shirt that you were loaned for this trip. These shirts are our "field trip shirts" and are to be turned in after each trip.

***Mother's Day Plant Sale** - Please support the first graders' fund-raiser for Lindsey's Garden this weekend: Friday, 2-5pm and Saturday, 9am-1pm. Due to the weather of our last "Spruce-Up Day", we thought these dates would be a great opportunity to do a final sweep, rake, paint, etc. of the playground and gardens.

***Sock Hop** - Jeanne Chute discussed the possibility of having another Sock Hop dance at the end of the year. The date is still tentative dependent on the availability of the DJ Pat Kelley from Oldies 105.

***Budget Report** - Our current checking account balance is \$4078.30. \$2105.77 of that amount is already promised for previous events and field trips, leaving us a balance of \$1972.53 for the remainder of this year and to cushion us for the start of another.

***Chinaberry Book Sale** - Thank you to Joanne Bickford and Diane Booty for all their work on this fundraiser. \$141.88 of the total book sales was raised for the PTO!

***Elections** - Elections of the PTO officers for next year will take place at the next meeting.
