Pierce Promise New Hampshire Frequently Asked Questions

Are there other expenses that I will need to pay to attend Franklin Pierce University?

YES! You will need to pay for room, board, books and other supplies. The average cost to live on campus and a full meal plan for a freshman residential student is \$15,000. Books and supplies vary, but students should plan to spend \$1,100 per year. In addition, personal and transportation costs average \$1,000 per year.

What if tuition costs rise during your time at Franklin Pierce?

The Pierce Promise NH program will cover all tuition and fees, even if they increase, as long as the qualifiers are met.

Does this award cover all four years of my education?

YES! Provided your family's AGI (Adjusted Gross Income) reported on the FAFSA remains under \$100,000, the Pierce Promise Program will cover tuition and fees for all four years of attendance at Franklin Pierce University as long as you maintain a 2.0 GPA. If your AGI changes over time, the award will be prorated.

Can I use the private scholarship I received to help pay for my room and board expenses?

YES! Any private scholarship or grant may be applied to your room, board and book expenses.

Do I have to sign up for the program?
